CHECK OUT THE NEW CYO WEBSITE!

We've spent the last few months bringing the site up to date!
We've included an event calendar, blog, photo gallery, and
more! **Be sure to check out the "printables" page**, where
you can find copies of the monthly newsletters, practice
logs, forms, and infosheets, as well as an online metronome,
tuner, and fingering charts!

We would like to start using this site a classroom tool.
If enough families start using and visiting the website,
we can all get better at a faster rate!
